

Time	Monday	Tuesday	Wednesday	Thursday	Friday
08:15					
08:30					
08:45	Internal Combustion Engines II (Lecture) TD				Internal Combustion Engines II (Excercise) TD
09:00					
09:15					
09:30					
09:45					
10:00					
10:15					
10:30					
10:45					
11:00					
11:15					
11:30					
11:45					
12:00					
12:15					
12:30	Fundamentals of Fluid Power (Lecture) AH IV	Fundamentals of Fluid Power (Excercise) AH IV	Processes and Principles for Lightweight Design (Excercise) WK		
12:45					
13:00					
13:15				Automotive Engineering III (Excercise) H10	
13:30					
13:45					
14:00					
14:15					
14:30	Automotive Engineering III (Lecture) H08				
14:45					
15:00					
15:15					
15:30					
15:45					
16:00					
16:15					
16:30	Processes and Principles for Lightweight Design (Lecture) H03	Quality Management (Lecture / Excercise) AM			
16:45					
17:00					
17:15					
17:30					
17:45					
18:00					
18:15					
18:30					
18:45					
19:00					
19:15					
19:30					
19:45					

Lecture

Excercise

Elective

*(If you have not taken an elective cours in the previous semester)
