

# "DIVERSITY AND INCLUSION VIA ARTIFICIAL INTELLIGENCE"

24 NOVEMBER 2022 16:00-18:00 (CET)

**REGISTER**

**8 SPEAKERS**

The **ENHANCE Conversations** provide a forum for critical thinkers, change and policymakers, entrepreneurs, researchers and citizens from Europe and beyond. This time we focus on how universities, in collaboration with businesses and policymakers, can contribute to create **equal opportunities** and a more **inclusive** society by the use of **AI**.
